

Reading Football Club Accessibility Guide

Welcome

Reading Football Club welcomes Supporters with disabilities to Madejski Stadium, and actively seeks to make the visit enjoyable for all.

We encourage you to contact us prior to your visit should you have any questions or need additional assistance. We are here to make your supporter experience as comfortable and enjoyable as possible.

If you or someone you know has a disability and would like to visit Madejski Stadium, please contact Paul Collins our Disabled Liaison Officer on 0118 968 1017, or email disability@readingfc.co.uk with any questions or requests for additional assistance.

The Club operates a ticketing policy that recognises that disabled supporters may need assistance on a Matchday and offers a variety of reasonable adjustments based on the individual supporter's needs.

Personal Assistant/ Carer

A Supporter with a disability or learning difficulty may find it unreasonably difficult or sometimes impossible to access the stadium, and the services offered. The Club can provide a complimentary ticket for a Personal Assistant or Carer if required. 'Proof of Disability' documentation will need to be provided, along with completing a registration form. A registration form can be requested by contacting Paul Collins our Disabled Liaison Officer on 0118 968 1017 or email disability@readingfc.co.uk

Proof of Disability Documentation includes –

- Proof of entitlement of middle or higher rate of Disability Living Allowance - Mobility or Care Component (DLA)
- Prove of entitlement of enhanced rate of Personal Independent Payment Mobility or Care Component (PIP)
- Proof of entitlement of Severe Disablement Allowance
- A personal letter from your GP or Care Worker
- A copy of registration documents which certify Registered Blind or Registered Partially Sighted status, or qualifying documentation from a registered optician equivalent to registration requirements

Please note that Orange and/or Blue Badges are not sufficient proof of disability.

A Personal Assistant cannot gain entry to the stadium without accompanying the disabled supporter.

Facilities for Supporters using Wheelchairs

There are up to 73 wheelchair places for home supporters and 14 places for Visiting Supporters, each with an Assistant/Carer/Helper if required.

These are situated as follows:

- North Stand – 25
- East Stand – 18
- West Stand – 15
- Sound Stand (Visiting Supporters) – 14
- South Stand (Home Supporters) – 15

Disabled supporters using the wheelchair places will be charged the standard ticket price based on their age category. The Club's Health and Safety policy requires that disabled people who attend in a wheelchair remain in their wheelchair during the game.

Wheelchair viewing is also available in Hospitality areas – Subject to availability. These places are charged at the standard price for the disabled person using the wheelchair.

Facilities for Ambulant Disabled Supporters

Ambulant Disabled supporters include individuals who use wheelchairs for outdoor mobility, but are not necessarily confined to their wheelchair, as well as people with walking difficulties and/or physically restricting medical conditions.

General match seating is available in accessible areas of the Stadium, please advise the Ticket Office at the time of booking your seats.

Specifically, for supporters with severe Ambulant Disabilities, there are 100 places available for Home Supporters and 6 places for Visiting Supporters, each with a Personal Assistant/Carer if required. These seats have been identified as providing the easiest access with limited steps.

Facilities for Supporters with Visual Impairments

The club has 12 fixed positions in the South West corner for Visually Impaired Supporters, each with an Assistant/Carer if required. Match Commentary is provided by the BBC Radio Berkshire and headsets are available if requested in advance of a fixture.

Visually Impaired supporters using this area will be charged at the standard ticket price based on their age category.

Guide Dogs are permitted within the Stadium Bowl, however we recommend that supporters with Guide Dogs contact our Disabled Liaison Officer on 0118 968 1017 or email disability@readingfc.co.uk before the match so that we can discuss with them access to the ground and the welfare of the Guide Dog before, during and after the match.

Facilities for Supporters with Learning Difficulties and Unseen Disabilities

Supporters with Learning Difficulties or Unseen Disabilities can normally be accommodated in any part of the Stadium, in standard seating. However, if any person with a Learning Difficulty feels that standard match seating would be unsuitable for them, they will be entitled to sit in one of the disabled supporter areas, with a Personal Assistant/Carer if required.
