- In line with government track and trace, the named owner of the ticket must be attending the match. The transfer of tickets is strictly forbidden and non-refundable after purchase.
- Random ID checks will be in operation and the name on your ID must match the name on your ticket. Entry will not be permitted if the ID and ticket name do not match.
- Season Ticket Holders will have the choice of selecting Print At Home or having paper tickets posted. Please note, a £1.50 booking fee will apply to all paper ticket transactions. We are unable to offer a collection service for this match, so Print At Home is encouraged.
- Supporters must socially distance and ensure they only sit in the seat they purchase and are not permitted to move seats at any time. Seating will be available in the East Stand only. Supporters who wish to sit together are advised to book tickets within the same row but note that an empty seat will be left between each person.
- Parking will not be available to purchase on the day, so supporters who wish to park at the Stadium should purchase their parking at the time of booking their tickets. Parking will be £10 per car in our main car park and £5 for our accessible car park (a blue badge will need to be shown on the day to be allowed entry to this car park).
- Supporters will need to agree to our Covid-19 Spectator code of conduct during the booking process.
- Tickets and parking permits will only be refundable if there is a change to any Government guidelines and we are unable to allow supporters to attend the fixture. Any booking fee will remain non-refundable.
